37th Annual Rotary South All Star Classic Football Game December 8, 2025

The Rotary Club of Fort Myers South is extremely proud to bring you the 37th Annual Rotary South All Star Classic.

Events of this magnitude would NOT be possible without incredible community sponsors. PLEASE support our local businesses choosing to financially contribute to our event as they partner with the Rotary Club of Fort Myers South by sponsoring the All Star Classic (noted below).

A special Thank You to the Lee County School District including Superintendent, Dr. Denise Carlin, their support is imperative and we appreciate their partnership. As a gracious host school, for their dedication and support of the events success, we must also recognize Fort Myers High School Principal Chris Engelhart, Steven Cato, Fort Myers High School's Athletic Director, and Coach Sammy Sirianni, Jr. To all the Principals and Athletic Directors, your support is imperative for a successful event.

A SPECIAL Congratulations to the selected All Star football players, cheerleaders and All Star Musicians. For some, this may be your last high school game and we are proud to have you participate. We wish all the participants continued success in your next steps of life. Thank You to parents, grandparents and family members who have supported and believed in the students participating in this event. Without your support, they would not be here tonight.

Several awards are presented during the All Star Classic. As founder of this event John Carrigan's dedication to providing a quality event while raising funds to give back to the community provided a solid foundation for event growth and development. This year the John Carrigan Coach of the Year award will be presented to a deserving coach, selected by his peers for outstanding leadership and dedication. For the football players with the highest GPA on the Blue and Gold teams, they will be bestowed the Sam Siriani Award of Excellence. Coach Sirianni was one of the largest supporters of the game and this award continues in his honor. The cheerleaders with the highest GPA from the Blue and Gold teams will be bestowed the Pam Quintier Award. Cheerleader Coach Pam Quintier was a role model and mentor to many students and this award continues in her honor. One player from each team, Blue and Gold, will be recognized as a MVP. Likewise, a cheerleader, from each team, will be recognized with a Spirit Award. And finally, we will recognize the highest GPA from both the Blue and Gold All-Star Band.

Proceeds from the event will be returned to our local community and international projects, through grants of The Rotary Club of Fort Myers South.

The Mission Statement of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

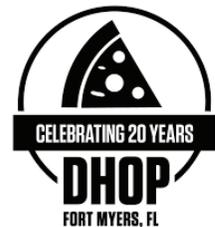

Yours in Rotary Service,

Blake P. Hampton, Esq.

JOHN CARRIGAN THE NAME SYNONYMOUS WITH HIGH SCHOOL ALL-STAR FOOTBALL IN LEE COUNTY

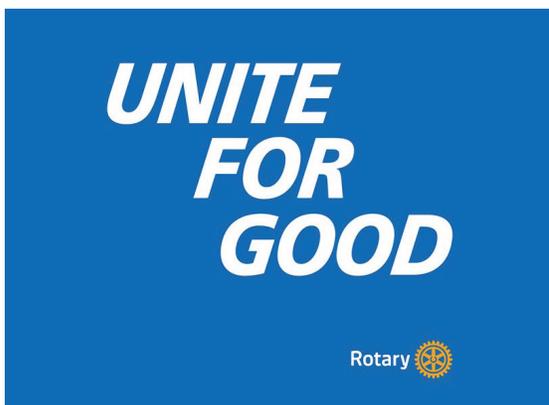

Now in its thirty seventh year, All-Star Football was brought to Lee County because of John's love of football. He had the desire to see recognition given to the players while providing his own brand of support and fund raising for the service organization coordinating the events. Each year the money raised has gone to support various programs and scholarships which would otherwise not be available.

Carrigan's involvement with sports began in 1941. After service in the Marine Corps, he entered the University of Maryland, where he obtained his degree in education. While a teacher in the Baltimore school system, he officiated at football, baseball and basketball games.

The original game of Lee County All-Star Football still tagged as "North vs. South," was the first county-wide organized game in the state of Florida. Under the auspices of a local service organization, the first all star game was a daytime event held in the evening before holiday vacation and attendance continues to grow. Since the first all-star game in 1989, many other counties have begun their own all-star programs.

Rotary Club of Fort Myers South is proud to be the continuing sponsor of the All-Star Football Game.

Please support our Advertisers, Corporate Sponsors and Local Sponsors. Their help and cooperation made this game possible.

Rotary's Four Way Test

Paul Harris, the founder of Rotary, was interviewed in December 1941, where he explained the mission of the 66 counties and 250,000 people that were members of Rotary.

PAUL HARRIS: "Despite the conflicts and the hunger and hardships facing many countries today, I am an incurable optimist in thinking about this old world of ours. My hope for the future is that Rotarians will continue to be ambassadors of goodwill to all races, to persons of all religious faiths, and to members of all political parties. That Rotarians will continue to be purveyors of tolerance, forbearance, helpfulness, kindness, neighborliness, and friendliness; and that through our world-wide Rotary fellowship we shall ultimately achieve our goal of international understanding, goodwill, and peace."

Today there are over 46,000 Rotary clubs in over 200 countries, with 1.4 million members. The Four Way Test was adopted by the Rotary in the 1940s and is a central part of the permanent Rotary structure throughout the world, and is held as the standard by which all behavior should be measured. The test has been promoted around the world and is used in myriad forms to encourage personal and business ethical practices.

Rotary's Four Way Test

of the things we think, say and do

1. Is it the TRUTH?
2. Is it FAIR to all Concerned?
3. Will it Build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all Concerned?

Coach of the Year - Kendoll Gibson, Riverdale

Each year, coaches cast their vote for the colleague who best exemplifies leadership, dedication, and the values of Rotary's "Four-Way Test" - The Four Way Test begins with:

"of the things we think, say, and do:

- * Is it the truth?**
- * Is it Fair to all concerned?**
- * Will it build goodwill and better friendships?**
- * Will it be beneficial to all concerned?"**

Throughout the school year, this individual led by those ideals, not only by the athletic development of students here tonight, but also with the educational development of all of the outstanding students and leaders in their classroom and the community, which will shape the future of southwest Florida, the country and maybe the world in the years to come.
